**Re: Students being dropped to, and collected from school**

Dear Parents / Guardians

I hope this letter finds you and your family well. The school year is well underway and we are looking forward to the run in towards Christmas.

I am writing to you today to highlight the issue of traffic congestion both on, and around the school site. If you are dropping your son / daughter to school on a regular basis you will be well aware of how busy it can be on Cavan Road outside the school, and also in the school car park. With a view to managing this situation into the future, all parents should consider the following:

- Please ensure that your son / daughter gets to school in good time (all students should be in school no later than 8.45am)
- Your drop-off / collection point for your son / daughter does not have to be the school carpark. Students can be dropped off 100/200 metres from school and walk the remaining distance to school.
- Remind your son/daughter to use the pedestrian crossing outside the school, and to be mindful of their safety at all times (of particular importance during the winter months).

The safety of our pupils and all our school community is always our top priority. With this in mind, please do your utmost to support us in this.

Yours sincerely

Principal
