- Complete Part A only
- Student must fill out both course list in

GENUINE ORDER OF PREFERENCE

- They should not put down courses on the basis of 2016 points

So – what is the best way to fill in the courses?

Making an application

- Complete application online
- Be sure to enter restricted courses by 1st February students will be called for extra assessments March/April
- Be sure to enter all other courses by 1st July
- Complete HEAR/DARE if applicable

Statement of record

- Each student will be sent a letter from CAO in May 2017. They must check to ensure that all information is correct. Very important to check examination number
- This is the students responsibility

The Offer Process- Round 1

- In the week following the release of the Leaving Certificate results, students will receive an offer from CAO
- A student can view and accept this offer online
- For example, if a student is offered No. 3 on its level 8/7/6, they will never get offered a course underneath this, they might get offered No. 1 or No. 2

The offer Process- Round 2

- After round 1 offers, CAO sometimes can offer students a course in Round 2
- This can happen if there are vacancies on courses or points drop
- All students should accept their Round 1 because they might get an offer in Round 2
- If a student gets an offer in Round 1 & later in Round 2, they can decide which one they want

Defer a course

- If a student wishes to defer, student must contact university/college & not CAO to ask for deferral
- The university/college makes that decision
- Student then has the place for the following year irrespective if points change

PLC- Further Education

- System for applying to study in local colleges
- Apply directly to the college
- Example Cavan Institute

PLC- Further Education
