Re: Leaving Certificate Results

Dear Parent/Guardian

I hope your child has had a restful summer following the rigours of the Leaving Certificate. I am writing to you to inform you of this year's procedures around students' accessing their exam results.

This year, results are being released on Tuesday 13th August. This is 1 day earlier than normal. This change to the schedule by the State Examinations Commission is presenting us with an issue.

- Our graduating class of 2019 have organised their deb's ball for Monday 12th August. The plan for celebrations will mean that those attending the deb's will be returning to Oldcastle by bus around 9.30am on the morning of Tuesday 13th August.
- I don't believe it is right or proper to ask students to step off the bus from their deb's and then come into the school and collect their results.

As such, the following will be the procedure for issuing Leaving Certificate Results on Tuesday 13th August:

1. The earliest and best option for obtaining results is online. Results will be available online from 10.00am for all pupils who have registered for the SEC self-service portal. Information has already been given to pupils on how to do this, and is also on our school website, www.stoliverpps.ie
2. Parents can call to the school accompanying, or on behalf of their child to collect their transcript of results from 11.00am.
3. Pupils can call to the school to personally collect their transcript of results at 2.00pm

Your understanding and support in this matter is greatly appreciated. If you have any issue with this, please feel free to give me a call.

Lastly, I hope your child achieves the results that they deserve. Furthermore, I would like to thank you for all the backing you have shown St Oliver Post Primary School over the years.

Regards

Principal
