Wisepay 2017-2018

IMPORTANT

As you would be aware, the school has been using an online payment system for many years. The vast majority of parents avail of this system, and we thank them for that.

Building on this progress, we are trying to reduce the amount of cash handled in the school to the absolute minimum.

As part of this process, from now on, all school refunds will be handled via WisePay. This means for example, to receive your refund (€80) at the end of the book rental cycle you will have to be fully set up and using WisePay.

In order to avoid complications and delays in receiving refunds at the end of the academic year, I urge all parents to ensure that you are fully set up on WisePay. To do this you will need to:

- Register a credit or debit card on your WisePay account; and
- Log-in details have already been provided to your son / daughter (you can amend these yourself when you log in).

Again, it goes without saying that Wisepay is an extremely safe and secure method of payment, and I urge all parents to use it whenever possible.

Regards

Mr Corcoran

Principal
