

Promoting Positive Behaviour at St. Oliver Post Primary

At St. Oliver Post Primary, we believe that positive behaviour is the foundation of a safe, inclusive, and thriving learning community. Every day, our students and staff work together to create an environment where respect, responsibility, and personal growth are at the centre of school life.

A Culture of Respect

Respect for oneself, for others, and for the school environment is a core value in our community. We encourage students to show respect through:

- Kindness in words and actions
- Listening actively to peers and teachers
- Taking care of school property
- Welcoming diversity and differences

Clear Expectations, Consistent Support

Our Positive Behaviour Framework ensures that expectations are clear, fair, and communicated consistently. Students are supported to:

- Make responsible choices
- Understand how their behaviour impacts others
- Take ownership of mistakes and learn from them
- Celebrate their progress and successes

Celebrating Positive Actions

We believe strongly in recognising the many positive behaviours that happen every day. At St. Oliver Post Primary, we highlight achievements such as:

- Acts of kindness
- Helpful contributions in class
- Effort, persistence, and resilience

Working Together: School, Home, and Community

Strong communication between school and home is essential. We encourage parents and guardians to stay involved, ask questions, and partner with us to support their child's wellbeing and behaviour. Together, we can ensure that every student feels seen, supported, and capable of achieving their best.

Building Skills for Life

Our approach to behaviour is not just about school rules—it is about preparing young people for life beyond the classroom. By promoting:

- self-discipline
- empathy
- responsibility
- confidence
- problem-solving
- we help students develop lifelong social and emotional skills.

At St. Oliver Post Primary, positive behaviour is more than expectation, it is a shared commitment. Together, we continue to build a school community where every student can learn and grow.
